

ALPANA ADVISORY SERVICES PTE LTD

Factsheet

Our Services

We are a consultancy company specializing in Corporate and Project Finance Advisory and in Business Development Strategy. We advise our clients:

- In both strategic and financial aspects of their project in South and Southeast Asia, be it setting up a new business or developing an existing business.
- In their decisions whether they should grow internally or externally
- In their M&A transactions, especially cross-border acquisitions South & Southeast Asia-France and France-South & Southeast Asia.
- In their fund raising with a view to further expansion of their business in South and Southeast Asia.

Our Clients

Our clients are start-up or established companies and organizations

- Developing new projects or expanding their businesses in South and Southeast Asia
- Opening their capital base to financial or strategic investors
- Acquiring or divesting part of their businesses
- Our clients originate from France or South & Southeast Asia, with an interest in cross-border transactions.

Our Values

A long-standing presence both in France and in Asia as well as a 15-year professional background in corporate finance and business development advisory contribute to our specific expertise in the area of cross border transactions and business development advisory (France-South & Southeast Asia).

- We have a customised business case approach for each of our clients
- We work in English and French Languages and have a local expertise in France, Singapore and India.
